PARTS & LABOR COVERAGE

THE CONTROL THEY WANT AT A PRICE THAT WORKS.

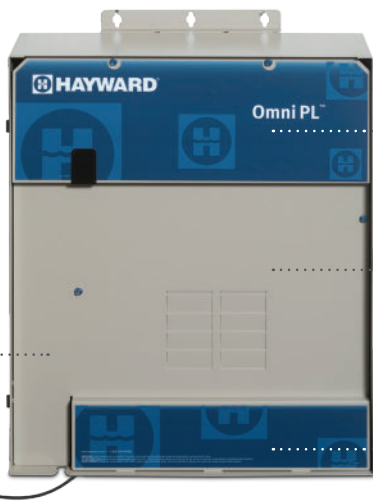

Total pool control shouldn't consume all your budget. That's why there's OmniPL™ from Hayward®: powerful pool and spa automation at a more accessible price. Designed to offer the same high-end capabilities as our industry-leading OmniLogic® system, OmniPL brings control for variable-speed pumps, salt systems, lighting and more to any mid-range new pool build.

External touchscreen display

with 15-ft cord for flexible installation and access

Compatible with all OmniLogic

remotes for maximum control versatility

Scalable modular relay system comes with 4 relays but can be easily upgraded to 6 or 8

Salt-ready design comes integrated with a Hayward salt cell if desired

OmniDirect Mode™ supports ColorLogic® LED lighting with exclusive color options, dimming control and more

UNBEATABLE VALUE

With robust features at an accessible price, and an expandable design that grows with pool owners' backyards, OmniPL is the total control package for any new pool build.

CONTROLS IT ALL

Designed to control a salt system, lighting, up to 8 variable-speed pumps and more, OmniPL is the perfect system for full-featured modern pools.

APP & VOICE ACCESS

Pool owners can use the redesigned OmniLogic app to control their backyards from anywhere, or get easy voice control through Amazon® Alexa® and Google Home® devices.
